

Request for Permanent Increased Debit Card Limit

To control losses due to unauthorized card transaction activity, Assemblies of God Credit Union (AGCU) has established card limit thresholds. Members requesting a permanent limit increase greater than the established threshold limits of \$500 for ATM cards and \$1,000 for Point of Sale (purchase) debit card transactions will be responsible for all losses in excess of these limits.

AGCU offers a free fraud tool app, **MobiMoney**, for our debit card holders. This app allows you to:

- turn your debit card on/off
- set limits on where and how the card can be used
- set transaction limits, and more!

We recommend you immediately download the app and register using the U.S. address and phone number as listed on your account.
